

**Clarification on RFP document in connection with the proposed
“Consultancy Services for Carrying Out Study on Skill Gap analysis in Mizoram with special emphasis on Industry alignment, circular economy, Natural Resource-based Training and Sports Skill Development”**

Pre-Bid Queries

S.no	Page number and reference of RFP	Particulars	Query	Response
1	-	The RFP does not specify any indicative tender value, estimated project cost, or budget ceiling for the assignment.	Kindly clarify whether there is any indicative tender value or budget range for this study to guide realistic financial proposal preparation.	We regret we cannot comply to this request.
2	TOR – Part I: Objective and Scope of Work (Pages 37 onwards) – All districts of Mizoram	The TOR specifies coverage across all districts of Mizoram and mandates primary surveys and stakeholder consultations; however, it does not specify sample size, district wise/geographic distribution, or indicative coverage of training centres, trainees, employers, beneficiaries, and other stakeholders.	Kindly clarify the expected sample size and district-wise geographic coverage across all districts of Mizoram, including indicative numbers of training centres, trainees, employers, beneficiaries, and other stakeholders to be covered under the study.	The sample size should adequately represent all the parameters as defined in the scope of work.
