Nibiaa Devices wins National award at India Mobile Congress 2026

By Our Staff Reporter

IMPHAL, Oct 13: Nibiaa Devices Private Limited, an Imphal-based satellite IoT and AI startup, returned from India Mobile Congress (IMC) 2026, held from October 7 to 10 at Yashobhoomi, New Delhi, with two major achievements: a National innovation award and a strategic partnership with a leading private space company.

Selected by Telecom Centres of Excellence (TCOE) India on behalf of the Department of Telecommunications (DoT), Ministry of Communications, Government of India, Nibiaa showcased its technology in the Non-Terrestrial Networks (NTN) category at the Asia's largest telecom and technology event.

At the India Mobile Congress 2026, Nibiaa Devices won the ASPIRE NextGen Startup Innovation Award 2026, presented through IMC's flagship startup platform with support from TCOE India, the Department of Telecommunications, COAI and TiE Delhi-NCR. The award recognised its satellite-connected IoT devices, which enable connectivity and real-time tracking in remote villages, farms and border regions beyond conventional mobile network coverage.

Dr Aeroshil Nameirakpam, founder and CEO of Nibiaa Devices, described the achievement as validation for deep-tech innovation emerging from remote cities such as Imphal, Dimapur, Agartala and Itanagar, emphasising that connecting farms in Manipur to low-Earth-orbit satellites exemplifies the vision of Atmanirbhar Bharat.

Nibiaa Devices also signed a Memorandum of Understanding (MoU) with Sanyark Space, a Hyderabad-based company founded by former ISRO scientists, to develop next-generation ground trackers and receivers for its planned low-Earth-orbit NAV-COM satellite constellation, which aims to combine centimetre-level positioning with secure 5G Non-Terrestrial Network (NTN) Connectivity alongside India's NavIC system.

Around 400 cadets take part in water adventure camp

By Our Staff Reporter

IMPHAL, Oct 13: The 1 Manipur Air Squadron NCC, Imphal, is conducting a Combined Annual Training Camp cum Water Adventure Camp for around 400 cadets of NCC Group Imphal from October 11 to 20 at Loktak Lake.

Junior Division and Senior Division cadets from all three NCC battalions across Manipur are participating in the camp which is providing them with opportunities to develop essential life skills through adventure-based training and experiential learning, said the organiser.

A major highlight of the camp is water adventure training, through which cadets are being introduced to basic sailing and other water-based activities. The Department of Youth Affairs & Sports (YAS), Government of Manipur, has extended valuable support by providing basic sailing training and the necessary sailing equipment, enabling cadets to gain practical exposure to water sports and adventure activities, it said.

Notably, the camp also places special emphasis on disaster management, water rescue and emergency response. A team from the National Disaster Response Force (NDRF) is participating in the camp and imparting specialised training through practical demonstrations, helping cadets understand essential rescue techniques and emergency response procedures.

Beyond adventure and skill development, the camp aims to instil the core values of the National Cadet Corps, including unity, discipline, leadership, courage, teamwork and a spirit of service, and also seeks to strengthen Nationalism and foster a sense of responsibility towards the Nation among the youth, said the organiser.

Doctors warned against unethical practices

By Our Staff Reporter

IMPHAL, Oct 13: Meitei Leepun has warned against doctors allegedly withholding drugs and forcing patients to buy them from Pharmacy at RIMS Hospital.

Speaking to reporters at Langol, Imphal, this afternoon, the organisation's leader Heisnam Shilan said that the alleged practice of withholding drugs/medicines by some doctors at RIMS has caused great inconvenience to the public.

RIMS is supposed to provide medicines to patients for treatment. However, some doctors, in collusion with medical representatives and Pharmacies, are believed to be allegedly withholding the medicines and forcing patients to buy them from Pharmacies, Shilan said.

If the doctors concerned do not stop such unethical practices immediately, the Meitei Leepun will make their names public, Shilan cautioned.

The Meitei Leepun leader further alleged that some doctors at RIMS Imphal and JNIMS Porompat are diverting/referring emergency patients to private hospitals and private laboratories for medical tests.

Some doctors, meanwhile, are prescribing particular medicines which are only available at designated pharmacies. Such practices of doctors done in collusion with medical representatives and pharmacies are causing undue inconvenience to patients, Shilan added.

All the doctors at RIMS Imphal and JNIMS Porompat must uphold the ethics of the profession and provide healthcare services with sincerity and dedication, and shun all unethical practices for gain, Shilan asserted.

He also commented on the recent violence and killings at Makui village and condemned it in the strongest terms.

The State Govt must take up appropriate measures, including steps to detect and identify illegal immigrants, to curb violence and restore normalcy, Shilan added.
